**Reliant Capital Solutions Announces Acquisition of Municipal Collection Services**

Columbus, OH February 8, 2023 – Reliant Capital Solutions, LLC (Reliant), a certified woman-owned business, has acquired Municipal Collection Services, LLC (MCS). The acquisition advances the company’s position as a burgeoning leader in the accounts receivable management (ARM) sector servicing government, education, healthcare, consumer, and commercial clients.

*“We are thrilled to welcome MCS to the Reliant family and expanding our footprint in the local government sector” remarked Reliant CEO Margie Brickner. “MCS and Reliant share the same commitment to our clients and employees, and serve our clients and consumers with integrity, transparency and professionalism.”*

Established in 2007 by Margie Brickner, Reliant started with a focus on compassionate collection of higher education debts, but has since expanded its service offerings to encompass first- and third-party account servicing and call center solutions for a broad range of industries. Through this strategic acquisition, Reliant enhances service capabilities for municipal clients and provides MCS with a broad range of omni-channel and other technological capabilities to improve the recovery results for its clients.
