

## MR. MANNY PLASENCIA

For Immediate Release

Press Release 6th November, 2019

### **Sequium Asset Solutions Appoints Manny Plasencia As Vice President of Operations**

**Sequium is proud to announce that Manny will be in charge of applying advanced operational strategy to boost the existing debt collection process.**

**November 6th, 2019, Marietta, GA-** Manny Plasencia has joined Sequium Asset Solutions, LLC as the Vice President of Operations for the Financial Services vertical. Manny has more than 20 years of industry experience in operations and a proven track record of superior metric-driven performance in various Financial Services, Customer Experience and BPO verticals. He is an expert in building advanced strategies, and an outstanding team leader who excels in Collections, Customer Service/Engagement, and providing an excellent consumer experience.

His leadership and acumen will be a core driver to Sequium's continued growth and expansion. He has led operations, sales, compliance, and quality assurance for major service providers such as Intellirisk, United Recovery Systems, Alltran, and Convergent.

"I am very excited about the addition of Manuel Plasencia 'Manny' to our team," says Jose Cadena, Chief Operating Officer at Sequium. Sequim has experienced significant growth in 2019, and the addition of Manny will allow for continuous growth and significant scale in the future. His leadership and experience will be a core driver of Sequium's continued growth and expansion. His focus will be enhancing Sequium's strong strategic approach and bolstering our footprint in the Financial Services sector. His visionary leadership and data-driven approach make him a great addition to our executive leadership team and winning culture."

"I am honored and excited with the opportunity to be an essential part of Sequium through its next phase of growth," says Manny Plasencia, the new VP of Operations for Financial Services at Sequium. "There are very few entities like Sequium that are not only technologically advanced but also excel in delivering an effortless consumer experience. I look forward to working with the talented Sequium team of recovery and take this company to the next level of excellence."
